

# WHAT ARE YOU WAITING FOR??

Temcat

Are you ready to stand in the time of trial? Are you putting everything you have into getting ready? If not, WHY NOT? What are YOU waiting for??

In 1989, events culminated that inform us definitely that the final countdown of closing events has started. Turn to Daniel 11:40-Dan.11.42

And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.

Dan.11.41

He shall enter also into the glorious land, and many (countries) shall be overthrown: but these shall escape out of his hand, even Edom, and Moab, and the chief of the children of Ammon.

When is the time of the end? Well prophecy clearly outlines 1798. What happened then? An atheistic power (Early Communism) swept the Pope from his throne and the rulership of the world. This was the 'deadly Wound' of Revelation 13. This is described in the above passage as the 'king of the south pushing at him' (the Papacy) Years have passed and the deadly wound is gradually healing. The forces of Communism were a dread and a fear to the so called "free world". Then suddenly with the chariots and horsemen (Military forces of the USA) and through economic sanctions (Many ships) The countries (Plural as the USSR was a group of countries) were entered into, overflowed and passed over. The world began to 'wonder after the beast'

Please note- When Pagan Rome came on site- she first overthrew 3 areas that stood in her way-

Daniel 8:9 And out of one of them came forth a little horn, which waxed exceeding great, toward the south, and toward the east, and toward the pleasant [land]. This was BEFORE the cross of Christ so that pleasant land was Palestine.

Then when Papal Rome came into power she first had to subdue 3 nations- The Vandals, the Heruli and the Ostragoths

NOW when Papal Rome is returning to world power and the Scarlet woman is preparing to ride the beast- 3 walls must fall-

1st - COMMUNISM it fell in 1989! This is the King of the South Power who wounded the head and has kept up war against it since, until 1989, when the Papacy used USA and economic power to come like a whirlwind and throw down that wall.

[Note that now in prophecy Glorious country refers to USA as this was the place God provided to nurture His people of Prophecy. (Glorious Holy Mountain refers to God's people themselves)]

There are 2 more walls

TWO is separation of Church and State-- which is being eroded badly as we speak--(Partly by our own deluded denomination!!)

THREE is National Sovereignty which is trembling also as the UN plots its takeover of the world in these few couple of months. UN is the ten kings (horns) that will receive power to rule one hour with the beast! It and the Vatican CONTROL all banking and MONEY and when they want- they can cause a crisis to happen that will put them in power and pass the Sunday Law!

We KNOW this crisis is right upon us as the SOP shows it comes before the Sunday Law, as the USA people want the Sunday Laws to try to restore them to prosperity, which means they loose that prosperity, just before the Law comes!

Also look at this text-- Zephaniah 2:2-3 "**Before the decree bring forth, (This is the Sunday Law) [before] the day pass as the chaff, before the fierce anger of the LORD come upon you, before the day of the LORD'S anger come upon you.**

**Seek ye the LORD, all ye meek of the earth, which have wrought his judgment; seek righteousness, seek meekness: it may be ye shall be hid in the day of the LORD'S anger."**

I have learned that the trials and frustration, persecution and such we are now getting in our lives are sent in mercy by Jesus to help us prepare a character that will be exactly like His- You see, when the Sunday Law is passed - we must be sealed then and receive the Later rain! So we are to allow Him to purge away our dross NOW!

As you see in the very next verse Daniel 11: 41 He the Papacy, enters into the glorious country and 'many' are overthrown. (Countries is an added word here and does not belong, it DID belong in the former verse, but here it is referring to many individuals who will be overthrown) Prophecy is clear that this entering into the Glorious Country is the passing of a national Sunday law by the USA and that quickly the rest of the countries of the world will follow suit and as they do, national ruin follows. See Dan. 11:42

These things are vital and our people are being lulled to sleep by Pastors who tell their people- "Oh the Sunday Law won't be that bad at first" "When it says you can't buy or sell, it doesn't mean that literally." Dear brothers and sisters! **The Sunday Law is Adventism's final exam- if you're not ready then- it is too late!!** Oh how we need to plead that our character have every spot removed- Jesus and the Holy Spirit will see to it- but we must humble our hearts and plead for this to be done in our own hearts- "**Rend your hearts and not your garments!**" (This means outward show of humility and piety just won't cut it then!)

We are given word pictures in the Bible describing the suddenness of these events- Isa.30.13-"Therefore this iniquity shall be to you as a breach ready to fall, swelling out in a high wall, whose breaking cometh suddenly at an instant." Picture a weakening of a high brick or stone wall- it is high above your head and every day you walk under it going about your business, Unless you take time to look up! You will not notice it, there's no bricks falling, the mortar is hanging together, nothing to warn you, but every day it swells out a bit more. Suddenly without warning it comes down on you!

The SOP is clear that the final events will come as an **overwhelming surprise**. A Great terror is soon to take the world by storm. Satan has done his homework well- the media and news events have gradually desensitized the populace. The most horrible acts will be carried forward by people who would say with Hazeal- "Am I a dog, that I should do such a thing?" 2King.8.13 But he did, and so will the people in the last days as the Holy Spirit withdraws from the earth's multitudes. Why are people so happy with the horrible and ugly? Why are the gentle and good despised in this world? Because the Holy Spirit is withdrawing and the Satanic is flowing through the land.

This is GOD'S PRESENT TRUTH! people must WAKE UP! OR it will be too late!

Realize also that the SOP is clear that although the Roman Pontiff is the Antichrist of Prophecy, the ultimate antichrist is Satan himself- he is preparing the world and Catholicism to 'hand him the reins' when he appears impersonating Jesus. This comes very soon after the Sunday Law, as the Later Rain power shakes up the world- he pulls out his final trump card to win the people away from the light, that lightens the earth with its glory. Satan will for a brief time RULE this world! Only by being hid in Christ and protected by the Holy Angels will anyone stand then! Make sure you enter into Christ NOW! Surrender to Him while you still have a bit of time to get to know Him; you have to know someone to trust them with your life!

Y2K served well to lull people into security- they say, "See, nothing happened. You guys are always crying Gloom and Doom!" Yes, but students of prophecy should have known better- The Bible says when they say "Peace and Safety, then sudden destructions comes on them and they shall not escape." At Y2K people expected trouble. It is when the householder sleeps that the thief comes- who is the thief- the Satanic agencies that seek to steal what is not rightfully theirs- the worship and obedience due to God.

What are YOU waiting for?? Is it the next sports game? Is it to see what wickedness will next be portrayed on the Soap Operas? Is it to laugh at the sit-coms? Perhaps to allow the latest brainwashing epoch of Hollywood to hypnotize you, in theater or on video?

OR MAYBE to listen one more time to voices from the pulpit, crying "PEACE and SAFETY" from the lips of ones the SOP tells us will NEVER AGAIN lift up their voices like a trumpet to warn God's people?

Perhaps it is to finish paying off your mortgage or your car; perhaps to get to the top in a career or church hierarchy? Perhaps you are waiting to get to a more quiet and retired spot away from distraction and then you promise yourself, you will pursue spiritual priorities?

Can't stand to think about it? Don't let fear hold you back- there is only one answer to fear- a saving relationship with our Living God!

A crisis never changes a person- it only catapults him forward in the direction he is already headed!

Oh, where will you be when the wall falls?
